

GOLDEN TRIANGLE CHAPTER

The Golden Triangle Chapter of The Ninety-Nines, Inc. was chartered October 1, 1969. Chapter Charter Members were Brenda Strickler, our first Chapter Chair, Diana Barnett, Bobbie Clardy, Berinda MacEacheron, and Vivian "Penny" White. Our membership is composed of women pilots in the mid-cities area between Dallas and Fort Worth. Our name came from the geographical area bounded by Denton, Fort Worth and Dallas.

Our members have actively served as Section and International Officers, several serving as Section Governor and one as International President. Our scrapbooks are well-known in the section and document our activities and history.

Our present officers are: Mary Wheelock, Chair; Ellen Hamlett, Vice-Chair; Beverly Stephens, Secretary; and Joan Weightman, Treasurer.

Our current fund-raising project is a cookbook, "We Can Cook But We'd Rather Be Flying," which sells for only \$10. They will be available at section meetings or thru the mail for \$12. Please send your requests to:

Our Chapter will host the South Central Section Meeting in the fall of 2009. We look forward to seeing you there!

Chapter member Carolyn Brooks has quilted this beautiful king-sized quilt to help us finance the meeting. A drawing for the winner will be held at the conference, but you do NOT have to be present to win. A donation of \$3 for one opportunity or \$5 for two is requested.
