

Instructions for filling out the SCS Annual Award Form

To recognize chapter-sponsored efforts, an Awards Committee is appointed by the governor.

Annual Award:

Here is your chance to brag about your chapter. Have your chapter chairman complete the South Central Section Annual Awards Form and submit to Gloria Blank at the address below.

Awards will be presented in each of the four categories: Chapter Operations, Aviation Activities, Aerospace Education, and Safety. The WINGS recognition is important and will have its separate award. This information also might be helpful to the Governor for the Governor's Award. The awards will be presented during the fall Section Meeting.

Place an "x" beside the items, or indicate the number if the chapter has participated in the activity more than once. Chapter size is considered so that all chapters compete fairly.

The report covers the fiscal year June 1st through May 31st and needs to be returned by August 1st each year.

You may like to write essays bragging about special events or activities – please do so. One event could equal several in time and efforts. Use the back or another sheet of paper. We will consider the activities as well as the number of activities in which your chapter has participated.

If the Chapter Chairmen would like to recognize a special member, let us know so it can be included in the Awards presentations, which is generally held during the Saturday evening banquet/event.
