

Aircraft Owners and Pilots Association

AV8Rs

The seekers, the adventurers, the bold have always known it. It's time to let the next generation in on the secret—aviation is for everyone! AOPA AV8RS, AOPA's new youth membership is free for teens 13 to 18 years old.

You'll Get:

To be proud to know that you are now part of a community of 400,000 members who share a love for flying and aviation.

AOPA AV8RS membership is free to teens ages 13 to 18 and includes the following membership benefits:

- › A welcome packet including a AOPA AV8RS membership card
- › A digital subscription to Flight Training magazine
- › Member-only access to www.aopa.org and flighttraining.aopa.org/ for exciting stories, informative articles, cutting-edge research, and much more
- › Toll-free AOPA Pilot Information Center help line at 1-800-USA-AOPA where our aviation specialists are available to answer any question you may have about learning to fly and more
- › Free access to [MyFlightTraining](#), an online flight training support system for student pilots that rewards them for each training milestone accomplished
- › Opportunities to connect with other AOPA AV8RS across the country through dedicated online social communities including Facebook, YouTube, Twitter, and tumblr
- › Access to a dedicated blog written by teens for teens
- › Interesting content on all things aviation at [the AV8RS home page](#).
- › Chances to win flight training scholarships
- › And a special gift—an official AOPA AV8RS sling bag!
- › [AV8RS Brochure](#)
